The 11th Annual DIFFA (Design Industries Foundation Fighting AIDS) Dining By Design once again featured over-the-top table-scapes from some of Atlanta's most prominent designers and showrooms, including Ainsworth-Noah, whose Versailles-themed concept for the *Atlanta Peach*/BNY Mellon/Dennis Dean table was a testament to the regal splendor of the Louis XIV-era. Other revelers inside the massive tent adjacent to ADAC West building included co-chairs **Chip Cheatham** and **Stan Topol**, **Todd Tauffest** and **Anita Best**. —*Elissa Rosen*
