DIFFA Dining by Design

Always a stunning visual feast, this year's Dining by Design, chaired by Richard Manes, was fabulous as usual. This year's honorary chair was Steve Stroade. The event, a fundraiser for Kansas City area AIDS services, is sponsored by the Kansas City chapter of DIFFA, the Design Industries Foundation Fighting AIDS. It's an evening of great design and great fun—and for a profoundly important purpose. The event has raised more than \$1 million for HIV and AIDS education and prevention in Kansas City.
