Eve May put a last minute polish on the flatware as tables were readied for DIFFA Kansas City Dining By Design Gala fundraiser this weekend at the Hyatt Regency Hotel at Crown Center. Designer David Jimenez of Hallmark created this spring garden tablescape for 18 people. Local designers have created unique signature tablescapes that will be open for public viewing from 9 a.m. to noon Saturday. Tickets for the public viewing are \$10. The events raise money for AIDS and HIV prevention and education in the Kansas City area.
